THE FIFTY-SECOND ANNUAL COUNCIL

DIOCESE OF NORTHERN INDIANA

May 10, 1950

The Fifty-Second Annual Council of the Diocese of Northern Indiana convened in St. Thomas' Church, Plymouth, Indiana, on Wednesday, the 10th day of May, 1950, this being the day appointed by the Bishop of the Diocese, approved by the Bishop and Council and pursuant to the call issued by the Secretary of the Diocese.

A Requiem Celebration of the Holy Eucharist for the first Bishop of the Diocese, The Right Reverend John Hazen White, D.D., and for the second Bishop of the Diocese, The Right Reverend Campbell Gray, D.D., was celebrated by the Rector of the Parish, The Reverend William C. R. Sheridan.

Morning Prayer was read by the Bishop of the Diocese and the Rector of St. Thomas' Parish.

The Bishop of the Diocese, The Right Reverend Reginald Mallett, D.D., S.T.D., was celebrant at the Conciliar Celebration of the Holy Eucharist, after which the roll call of both the Clergy and the lay delegates was made by the Secretary of the Diocese.

Election of the Secretary

The Reverend George B. Wood moved the re-election of the present Secretary, The Reverend Erland L. Groton, and that the chair cast a unanimous ballot of the Council for the election of Father Groton. Thanking the Council for his election, the Secretary then nominated the Reverend Harold G. Kappes to act as Assistant Secretary. This nomination was confirmed by the Council.

The Bishop's Annual Address

The Annual Address of the Bishop of the Diocese was then delivered, and is to be found printed elsewhere in this Journal. The report of the committee on the Bishop's Address is as follows:

"The committee notes with great satisfaction the wonderful progress and growth of the Diocese under the leadership of our Bishop. The material and spiritual gains should be the occasion of Acts of Thanksgiving by the whole diocesan family.

The new rectories, school building and church reported lead our minds on to thoughts of advance work with souls and we are especially glad to receive and recommend the Bishop's request for a survey of the opportunity for the Church in Northern Indiana and we would urge the Department of Missions to proceed without delay to the execution of this survey by trained National Council experts.

"The reference in the Bishop's Address to the financing of the new Church of Holy Trinity, South Bend, has raised questions in the minds of some of the members as to whether all the necessary canonical steps were taken in connection with the loan obtained. We do not have access to the minutes of the Standing Committee or the minutes of the Trustees of the Diocese, but suggest that the Bishop and Council be requested to make inquiry as to the full compliance with Canon 6, Sec. 3 of the General Canons on the encumbrance of Church properties.

"Your Committee also urges upon the constituent members of the diocese to work faithfully that the new Mission Quota accepted in full as reported be actually raised in this year of 1950."

The Bishop offered his remarks on Canterbury College in his Annual Address and Col. B. B. Bouton was present at the Council to speak on the outstanding work being done at Howe Military School and of the erection of the new Academic Building being built to replace the one destroyed by fire in 1946.

RESOLUTIONS OF THE COUNCIL

1. The following resolution was presented by the Reverend William C. R. Sheridan and was passed by the Council:

"Whereas General Convention has authorized the Standing Liturgical Commission to secure an opinion from the Dioceses on the desirability of commencing an immediate revision of the Book of Common Prayer, and

Whereas the present revision of the Prayer Book has been in use for only a little over twenty years, and

Whereas there are many objections to undertaking a new revision so soon, among which are, (a) The controversial atmosphere which is heightened and emphasized during a period of revision, causing genuine distress among the laity; (b) The general satisfaction which the Church has in the merits of our present Prayer Book, and the commendation of it in other parts of the Anglican Communion; (c) The very heavy burden of expense to our Parishes and Missions in discarding one Prayer Book and introducing another, which expense should be undertaken only when the Church is clearly convinced that it is necessary; (d) The complete absence of any general demand or real need for revision;

Therefore be it resolved that the Convention of the Diocese of Northern Indiana declares that in its judgment a revision of the Book of Common Prayer at the present time is inexpedient and undesirable, and

Be it further resolved that copies of this Resolution be sent to the Presiding Bishop, to the Chairman of the Standing Liturgical Commission, and to the Church Press."

2. A special committee, consisting of the delegates to the last General Convention, was appointed by the Bishop to return the following resolution:

"RESOLVED, that the expenses of the Bishop and clerical and lay delegates to General Convention be computed for each General Convention to include full first class round trip railroad fare, including tax but without Pullman fare, from Plymouth, Indiana, (a central point in the diocese) to the convention city, and to include also a per diem allowance for hotel room only, for the number of days that the convention will convene, to be set by the finance committee of the diocese: and that the finance committee be instructed to include one-third of these amounts in each annual budget of the diocese." The committee recommended \$600.00 a year be placed in the Budget for each of the years of 1950, 1951, and 1952 and the above resolution passed the Council.

3. The following resolution was presented by the Reverend George B. Wood and passed by the Council:

"Whereas a question has been raised as to the legality of the action of the Trustees, reported on page 8 of the reports for 1949, with regard to the loan of funds from St. Alban's, East Chicago, to St. Stephen's, Hobart, in the sum of \$4,000: and to The Church of the Good Shepherd, East Chicago, in the sum of \$3,500;

And whereas the National Canon No. 6 provides certain specific regulations regarding business methods in the Church, especially in Section 1 where funds must be invested with the approval of the Finance Committee:

And whereas Canon 4, section one, of the diocesan canons give authority to the Bishop and Council regarding money matters, and limits are made on the Trustees:

And whereas there is a question as to whether or not the St. Alban's funds are properly in the hands of the Trustees:

Therefore, be it resolved that this Council request the Trustees to show the legality of their said action at the next meeting of the Bishop and Council."

4. The following Amendment to Article 1, Section 2, of the Constitution as resulting from the General Convention of 1949, and to be finally acted upon at the Convention of 1952, was read by the Secretary and passed by the Council:

"Every Bishop of this Church having jurisdiction, every Bishop Coadjutor, every Suffragan Bishop, and every Bishop, who under an election to an office created by the General Convention, has resigned his position, shall have a seat and a vote in the House of Bishops. Every other Bishop who has resigned his position shall have a seat without vote in the House of Bishops. A majority of all Bishops entitled to vote, exclusive of Foreign Missionary Bishops, shall be necessary to constitute a quorum for the transaction of business."

CHANGE IN THE ANNUAL DIOCESAN COUNCIL

The Council voted in favor of the change of the Annual Diocesan Council from May to October, beginning in the year 1951 and in accord with the report of a special committee as presented to the Fifty-First Annual Council of May 18, 1949 and unanimously adopted by that Council, which report is to be found printed in the Journal of the Fifty-First Annual Council.

In that there was a question as to the election of delegates for the Provincial Synod of 1951, it was moved by Father Wood that a special Council be held in May for all necessary business and then adjourn for the regular Council in October. This motion passed the Council.

Other business of the special Council in May would be another reading of changes in the Constitution and Canons of the Diocese relative to the change of the Annual Council from May to October, and of the change to Section 8:F of Canon 5, relative to greater allowances for delegates to the General Convention, which changes are found printed in the report of the Committee on Constitution and Canons in this Journal.

OTHER BUSINESS OF THE COUNCIL

1. The Reverend William Karl Rehfeld reported the Lenten Mite Box Offering in the amount of \$3,243.02 and a complete report is printed elsewhere in this Journal.
2. The budget of the diocese, together with the budgets of the Department of Missions and the Departments of the Bishop and Council were adopted by the Council.
3. Mr. Glen R. Sawyer moved an assistant be appointed to the Honorable Gilbert A. Elliott, Chancellor of the Diocese, and this motion passed the Council.
4. The Reverend Robert J. Murphy expressed the desire that the next Annual Council be held at St. Mark's, Howe, and this invitation was accepted for decision at a later date.
5. The Reverend Don H. Copeland moved the appreciation of the Council be extended to the Rector, and members of the Vestry and Parish of St. Thomas' for their kind hospitality. This motion was unanimously passed by the Council.

With the afternoon session complete, the Fifty-Second Annual Council of the Diocese of Northern Indiana was adjourned after the Council had received the benediction of the Bishop of the Diocese.

THE RIGHT REVEREND REGINALD MALLET, D.D., S.T.D.**Bishop of the Diocese of Northern Indiana**

to the

FIFTY-SECOND ANNUAL COUNCIL

of the Church in the

DIOCESE OF NORTHERN INDIANA

**

My dear Brethren of the Diocese of Northern Indiana:

Grace be unto you, and peace, from God our Father, and from the Lord Jesus Christ.

Another year has passed since our last Council meeting, and I welcome you to this lovely parish church in Plymouth today, as we accept the hospitality so graciously accorded by Father Sheridan, the Vestry, and by the parish of St. Thomas' Church. How beautiful the place is with the handsome adornments of altar and church building, the newly decorated Parish House and the well-kept grounds. It seems that they display well the mood of our church that loves to describe its projects and liturgy as being done "decently and in order."

Each year as we meet we miss godly and friendly men, some of whom have gone into the nearer presence of God. Among them this year is Father Severance, O.S.B., a priest of the Diocese; Prior of St. Gregory's Monastery, who did a great work—especially in prayer for the Church and the Diocese. We recall among the laity Edward C. Borneman, a man respected and admired for many years by those who knew him as vestryman at St. John's, Elkhart, as Council member, or as Trustee of Howe School. He loved his Church and worked unflinchingly at every task assigned him. For them, and all those departed this life, let us pray:

O Eternal Lord God, who holdest all souls in life; vouchsafe, we beseech Thee, to Thy whole Church in paradise and on earth, Thy light and Thy peace; and grant that we, following the good examples of those who have served Thee here and are now at rest, may at the last enter with them into Thine unending joy; through Jesus Christ our Lord. Amen. May their souls and the souls of all faithful departed, through the mercy of God, rest in peace.

I have fulfilled the canonical requirements in regard to official visitations, having visited every congregation and mission at least two times. I have confirmed and ordained, celebrated the Holy Communion, preached, and examined the records of the Parishes and Missions. I have met with and had conferences with many vestries and with priests. I have kept a record of my official acts.

In every corner of our Diocese I find cause for rejoicing as we pursue our work progressively, and in unity, peace and concord. There is no keener index of this harmonious and spiritual attitude than the fact that there have been no changes in Rectorships of parishes nor Priests-in-charge of Missions since the last meeting. In fact, our records show the transfer of one priest only, Father DeGolier, from Howe School to the Diocese of Milwaukee. He had been teaching and was assistant to the Chaplain, and is now taking up parish work.

By ordination we have gained two priests, The Reverend Robert Childs and The Reverend Charles Boswell. Our Postulants and Candidates are: Richard T. Adams, Hugh Neil Barnes, Donald Westlake Ingerson, Glen McCutcheon, Jere Mickel, Ph.D., John Jerome Phillips, John T. Russell, Horace L. Varian, Jr., and Wallace Lewis Wells.

Stability in priests is the goal for every Diocese, and I know our men are happy in their work—and they **do** work!—and are appreciated by the people. Undoubtedly a large factor is to have happy living conditions, and therefore I call your attention to the great gains made by the parishes of Holy Trinity, Fort Wayne, and St. John's, Elkhart, in acquiring by purchase, homes for their assistant priests. Hobart has successfully completed its new Rectory; East Chicago has made a notable gain in the purchase of a Rectory very near the Church of the Good Shepherd (into which I hope Father Brittain has moved by today). A great deal of the work of renovating and making this a modern home has been done by the men of the parish. The Gethsemane Parish, Marion, has its plans made and the initial money in hand to build a new Rectory into which the Rector hopes, to use in his own language in direct quotation, "to get into before the snow flies." All of this augurs well for the future. No mention of building, however, must omit the Consecration of St. Paul's Church, Hammond. Father Langendorff began well and Father Rehfeld is building well; and both priests were present and had part in the Consecration of St. Paul's, March 12th. We congratulate them on this achievement.

Holy Trinity, South Bend

This brings us to Holy Trinity, South Bend. A year ago I expressed my concern lest lack of money should stop our building program. Many suggestions were offered, and many gifts have been made, but the borrowing of \$10,000 was necessary. The wisest thing seemed to be to borrow on the Episcopal Residence, and this was done. The repayment of this money is anticipated partly by Holy Trinity having been made a project of the Woman's Auxiliary in the Province for two years, and by other hoped-for gifts not available now. But this action does place the responsibility for this last mortgage upon the Diocese—which at the present time means the Bishop, and I took the responsibility knowing that you will share it with me. Besides, I could not "lay me down in peace and take my rest" with my priest and people of Holy Trinity homeless, and that was the only way I could take 200 people under my roof, so to speak.

New Building at Howe

Howe School, under Colonel Bouton's continuing supervision, is a school of which we are justly proud. Work is progressing on the new \$300,000 Academic Building which will be completed by fall. In the Diocese there is increasingly shown the feeling of responsibility, along with pride, and I ask you to keep in mind the necessity of constantly suggesting to fathers and mothers the possibility of this school as the place to educate a lad in the real atmosphere of the Church.

Canterbury College has its ups and downs, and what we call its "growing pains", but all of us who visit it know the fine spirit that is engendered there. Keep it in your prayers and in your hearts, and also make it a recipient of your gifts.

The Status of St. Paul's, Mishawaka

A letter written to Dean Groton this spring should be a part of our permanent records:

"Pursuant to our conversation the other day, I am writing this letter for you to read to the members of the Vestry in regard to the status of St. Paul's, as the Pro-Cathedral of the Diocese.

"You will recall that when I was elected Bishop in 1944, and came to Northern Indiana for preliminary conferences, it was made plain to me by individuals of every group with whom I talked, including the group meeting at the Pro-Cathedral, that there was no

plan, nor even a possibility of building a Cathedral in Mishawaka. Under ordinary circumstances it would have been the first matter of business to clear up the situation for the new Bishop to declare that no Pro-Cathedral foundation existed. I refrained from doing that because of the complication of the property next door to the church, which would have been forfeited if that announcement had been made. Since that time my work in the Diocese has been built upon the idea that there was no cathedral set-up scheduled for the Diocese. I took the initiative and called together the joint meeting of the three groups that enabled St. Paul's to purchase the property from the heirs before there was any litigation or lawsuit about it. Let me congratulate you upon the forward looking measures and the action taken that enabled you to acquire this land and pay for it. The deed is in the hands of the Trustees of the Diocese, and will be acted upon at their next meeting. Following their action, which will be a matter of public information and announcement, the Bishop will make the statement which ordinarily would have been made five years ago. I am anxious for the formal change to be made in a way that will bring credit to St. Paul's, for the work they have done over the period of 25 years, in acting as a Pro-Cathedral, to enable the Bishop to build up standards that help formulate policies in the Diocese that are now bearing fruit. In order, then, that there could be no misunderstanding on the part of anyone in the Diocese, it would seem wise for the Bishop to ask the Vestry of St. Paul's to relinquish their Pro-Cathedral status, resume their parochial status, and pick up their work as a parish which they so generously relinquished 25 years ago.

"The program that St. Paul's has for the future, the first step of which was recently concluded very successfully, indicates that St. Paul's has a prominent place in the life of the Diocese at present, and has not only actual leadership but potential leadership that will keep them in the forefront of the Diocese in years to come.

"Because of the fact that many people might ask the question about the establishment of another Pro-Cathedral, I want you to be in the position to say that the Bishop stated that no Pro-Cathedral will be established in the Diocese. If, in the future, a Cathedral foundation is to be established, it will be because of future events of which we have no knowledge at the present time.

"I feel certain that the Vestry of St Paul's are aware of my appreciation of the part they play in the life of the Diocese, and know that the Bishop is counting upon their understanding cooperation and loyalty.

Faithfully yours,

REGINALD MALLETT

Bishop of Northern Indiana"

The Vestry was most cooperative and helpful and I therefore inform the Diocese that no Pro-Cathedral foundation exists, and that St. Paul's, Mishawaka, has resumed its parochial standing with all the privileges and responsibilities of a Parish.

Our Mission Quota

Our quota for 1950, under the new plan, assigned to Northern Indiana (what we called "a staggering amount" last year) is \$16,970. We accepted it in good faith last fall, even though it shortens our own mission effort in the Diocese. We shall not lose by that, though—God does not work that way. The children rallied to the task and have raised this Lent about \$3,300.00 which applies towards our quota. This is due to the work of the Department of Religious Education under the inspiration of Miss Jessie Hunter who calls herself the Blue Box in action! She does a fine piece of work, duly appreciated by her Bishop and colleagues. But even with this help, our job is colossal and I urge

you all to do your part 100%. If you fail, there is no one to take up the slack. Last year my personal contacts with Bishop Chang of China (now behind the Iron Curtain) gave me great inspiration for the work of the Church in China. This year Paul Rusch has done the same thing by opening my eyes to the opportunities in Japan. This came from the successful meeting of the Woman's Auxiliary Training School at Michigan City, at which Paul Rusch was present. The fine meeting was due to the leadership of Mrs. Kerr and Board. I shall do my utmost to pass this on to you. The Secretary of State, Mr. Dean Acheson, has told us of the new phrase we must learn in our political vocabulary, "total diplomacy." He means by that that there is no domestic policy nor foreign policy but just **one** policy. This is talking the language of missions, as you have heard me say, again and again, there's no foreign and no domestic missions—it's all one job! Let us make it so.

Activities Outside the Diocese

It is one of the responsibilities as well as one of the privileges of the Episcopate, to represent the Diocese in other parts of the Church. I try to do this conscientiously and do my utmost to present Northern Indiana in a good light before the General Church. Last fall I participated in eight of the ten meetings held in connection with the visit of the distinguished British prelates, in cities from New York to San Francisco. I attended the Provincial Meeting of the Woman's Auxiliary in Racine, Wisconsin. I gave a 3-day conference in Schenectady, New York, and held a Quiet Day for Priests in Baltimore. At St. Ignatius, New York City, and in Louisville, Kentucky, I pontificated and preached to people interested in Holy Trinity, South Bend. On Good Friday I participated in the Consecration of Bishop Welles of Western Missouri, and in Des Moines in the Consecration of Bishop Smith of Iowa. This month I expect to give a 3-day Retreat for priests at the Cathedral in Garden City, Long Island.

The Layman's Conference

Last year the Diocese cooperated with the National Church in the Layman's Training Program, and sent our representative to the Conference in Michigan. I am proud of the men who attended and who, after their return, gave their time so generously to visit local churches. I record this fact with gratitude. This year the conference for 30 men will be held at the Episcopal Residence on September 16-17, conducted by a leader from the National Church, and with the men as guests of the Bishop and Mrs. Mallett. It will be a wonderful introduction for the fall and winter's work.

The leadership and work of laymen are appreciated more and more in the Church and in our Diocese. It is my policy to change the Chairman from time to time because of the many demands made on busy men. We record our thanks to Mr. Lacey Gibson for carrying the ball for the past two years, and I appoint as Chairman of the Presiding Bishop's Committee on Layman's Work, Mr. Gordon Diver, a member of Trinity Parish, Fort Wayne.

Clergy Conferences

It is my custom each year to invite the newer or younger men in the Diocese to spend 24 hours, each month, at the Episcopal Residence. This was for them to get away from their routine, to get to know each other better and to discuss mutual problems. This past year the group numbered eight. Next year, with no "new" group of clergy in the Diocese, and urged by the "older" men of the clergy, we are going to have the groups include all of them—divided over the months into small groups. This should prove to be a rare opportunity for fellowship, as it has in the past, for spiritual growth, and for the discussion of Diocesan plans for the future. To be able to do it is one of the blessings of a small Diocese.

A Missions Survey

There are many of us who would like to have the Diocese looked

at and evaluated by someone outside our own borders. I am therefore asking the Missions Committee if they will take under advisement the desirability of having this done through the general offices of the Home Department of the National Council, and by the methods and with the help recommended by them. This should not take much time nor be a costly piece of work. Its advantages are not to be questioned if we are of the mind to put our best efforts forward, after they make any recommendations they may see fit, to formulate a plan for the future. I do not feel, personally, that we have begun to do the work before us, and will welcome any constructive suggestions or directions.

Wawasee

It is my purpose, D.V., to go to England this summer for July and August. To that end I am holding services at Wawasee on June 4th, 18th, and 25th (June 11th is Howe Commencement and I must be there). I hope many will come to services during June, and also in July and August which will be held as usual every Sunday at 11 o'clock with a priest in my place.

Now to the work before us, which we must do readily and with free discussion. I am particularly anxious that the date of meeting of our Annual Council be settled satisfactorily, so that in all things we may facilitate our work for the Glory of God.

THE REPORT OF THE BISHOP AND COUNCIL OF THE DIOCESE OF NORTHERN INDIANA

This report covers four meetings of the Bishop and Council of the Diocese of Northern Indiana, viz.: April 5, 1949, May 18, 1949, December 7, 1949, and February 6, 1950. A quorum could not be obtained for the meeting called for April 17, 1950.

The meeting of April 5, 1949 was held at St. James' Parish, South Bend, and was a meeting for the consideration of both the 1950 budgets of the Diocese and of the Department of Missions.

1. The 1950 budget of the Diocese was approved by this Council and placed on file for adoption at the Annual Diocesan Council in May.
2. The 1950 budget of the Department of Missions, together with the Departments of the Bishop and Council, was approved by this Council and placed on file for adoption at the Annual Diocesan Council in May.

It was moved by The Reverend Don H. Copeland that the 1949 budget of the Department of Missions be amended in the amount of \$336.00 for work at Longcliff Hospital, Logansport, and that the 1950 budget carry this item in the amount of \$250.00. This motion was

passed by the Council. It was also moved and passed that \$300.00 be advanced for repair work at Wawasee.

In consideration on the Diocesan budget, it was recommended to the Committee on Constitution and Canons that Canon 5: Sec. 8:F be changed to allow a greater amount for delegates to General Convention.

Dr. Kenneth Kintner reported for the Department of Finance not only relative to the making of the Diocesan budget but also regarding the amount of assessment. It was moved and passed by the Council that the Chairman of the Department of Finance study the possibility of some new system.

The Reverend George Wood, chairman of a special committee on the possibility of changing the time of the Annual Diocesan Council, made the following report:

"It is widely felt that the present Diocesan legislative system is cumbersome in that the Annual Diocesan Council in May is eight months from the beginning of the year for which plans should be made and inspiration should be received. A fall Council meeting would give the opportunity for a great inspirational service on a Sunday evening and the presentation of budgets, plans (including those of the National Church), and missionary program at the Council meeting the next day. The reports of the work in the past year would be reported by title, having already been accepted by the Bishop and Council in March and then printed in full in *The Beacon*. This arrangement would probably do away with the necessity of holding Deanery vestry meetings in the fall and would place on the delegates the burden of accepting the Diocesan and missionary budgets, after full information on and full discussion of the same. They would then return to their respective parishes and missions with a knowledge of what financial returns were needed in the Every Member Canvass to ensure the forward work of the Diocese the next year.

"Therefore, be it Resolved, that the Bishop and Council recommends to the Diocesan Council that beginning in the year 1951 the Annual Diocesan Council be held within the first two weeks of October, except in the year of General Convention, when it will be no later than the last week of October, and

"Therefore, to effect this change in Diocesan procedure, the Bishop and Council recommends to the Diocesan Council the following amendment of the first sentence of Section 3 of Article V of the Constitution of the Diocese of Northern Indiana:

" 'There shall be held annually a Council of the Church in this Diocese, which shall be convened by a summons issued by the Bishop of the Diocese in Counsel with the Standing Committee, or if there be no Bishop, by the Ecclesiastical Authority, during the last quarter of the year, at such place as may be deemed most convenient'."

This report was unanimously accepted by the Council and referred to the Committee on Constitutions and Canons for report to the Annual Council.

* * *

The meeting of May 18, 1949 was an organizational meeting of the membership of the Council for the work of the various departments.

* * *

The meeting of December 7, 1949, was held at the Episcopal Residence at which time the Bishop called for the acceptance of the date of May 10th for the Annual Council of the Diocese, the Council to be held at St. Thomas' Church, Plymouth. The Council approved.

The Council heard remarks from the following members of the Council:

1. The Reverend Father Rehfeld outlined plans of the Department

of Christian Education concerning the 1950 Lenten program of the Church Schools.

2. The Reverend Father Olsen outlined the plans of Publicity for the "One World in Christ" program.
3. Dr. Kenneth Kintner, Chairman of the Department of Finance, spoke to the possibility of a new method of assessment of \$1.00 per communicant.
4. The Reverend Father Copeland spoke to the new Educational Program of the Church and called the attention of the Council to the Presiding Bishop's radio talk of Sunday, March 12, 1950. Father Copeland also spoke regarding the work of the Department of Promotion in supporting the Annual Every Member Canvass and in sponsoring the Annual Bishop's Vestry Dinner, which took the form of a Diocesan Dinner with 119 persons in attendance.

THE DEPARTMENT OF MISSIONS:

The Chairman, Father Groton, announced that formal application had been received by the Bishop and the Department as of September 12, 1949 for the organization of the Mission of Christ the King at Huntington, Indiana. Other business of this meeting of the Council included:

1. Mrs. Paul Kerr offered remarks on the program of the Church relative to Displaced Persons.
2. The Council forgave the assessment delinquency of Trinity Church, Logansport—excepting for the months of from May to December.
3. The Council allowed a grant of \$1600.00 to the Church of the Good Shepherd at E. Chicago to aid in the purchase of a rectory.
4. The following resolution was adopted by the Council in the behalf of the late Edward C. Borneman,

'Forasmuch as it hath pleased Almighty God to take unto Himself Edward C. Borneman who entered into life eternal late in the year of 1949, we the Bishop and Clergy, together with the Lay members of the Bishop and Council of the Diocese of Northern Indiana in Council assembled, with a deep sense of our personal loss, record our profound appreciation and gratitude to Almighty God for his many years of able, devoted and loyal service to God, Holy Church, the Diocese of Northern Indiana, and the parish of St. John in Elkhart:

And we both include this resolution in the minutes of the Bishop and Council of the Diocese and extend our thanks to Almighty God for the life and example of Edward C. Borneman and our deepest and sincerest sympathy to his wife and to his family."

* * *

The meeting of February 6, 1950 was held at the Episcopal Residence following a luncheon served the Council as guests of Bishop and Mrs. Mallett.

The Council elected Mr. Paul Roster of Kokomo to fill the vacancy caused by the death of Edward C. Borneman.

The Bishop announced the date for the Annual Howe Summer Conference as being the week of Sunday, June 18 and also spoke on the possible organization of a Conference for Organists and Choir Leaders and Members, this conference to be held beginning on or about Saturday, August 19, 1950.

THE DEPARTMENT OF CHRISTIAN EDUCATION:

The Reverend Gail Brittain announced that the Youth Offering for the St. Francis Home for Boys was in the amount of \$197.00, that there would be a Rally for the Young People of the Diocese at Trinity Church, Logansport on May 5th and 6th and Father Rehfeld, speaking

to the Children's Work and Lenten Offering, emphasized the plans for the obtainment of the Mite Box goal of \$3200.00.

Other business of this meeting of the Council included:

1. The Reverend Samuel H. N. Elliott was appointed to work with Father Foster, Chairman of the Department of Christian Social Relations, in respect to the problem of Displaced Persons.
2. Dr. Kenneth Kintner, Chairman of the Department of Finance, announced that the 1951 Diocesan Budget would be the same as the present budget—excepting as to changes that may be needed in the Pension Fund and National Church Program, and this budget was approved by the Council.
3. The Secretary was asked to read a letter of Commendation to the Bishop and the Diocese, as received from the Presiding Bishop, upon the acceptance by this Diocese of the full quota for the Churches program.

A meeting of the Bishop and Council was held following the Annual Council of May 10, 1950, at St. Thomas' Parish, Plymouth, in accordance with Canon 4, Section 6, for organizational purposes of the newly elected Council and resulted in the following action:

It was moved by Father Wood that the Bishop name the membership of the Departments of the Bishop and Council, organizing for the work of the coming year in the departments as provided by canon.

This motion was passed by the Council, after which the Council adjourned.

Respectfully submitted,
ERLAND L. GROTON, Secretary

THE REPORT OF THE DEPARTMENT OF CHRISTIAN SOCIAL RELATIONS

During the past year the Department has relayed to the Reverend Clergy, and others interested, pertinent material received from the National Council CSR Department, and from other sources. Our own occasional bulletins have been chiefly written to supplement the above.

In January, 1950, a Committee of the Department was organized to assist with settlement of Displaced Persons in the Diocese, with the

Reverend Samuel H. N. Elliott as chairman. We are glad to record here our appreciation, both of his willingness to accept the commission, and of the work he has done.

To the Fifty-Second Annual Council of the
Diocese of Northern Indiana:

The Journals of every diocese in the Fifth Province are in my files, for any reference that the Diocesan Council may wish. I shall be glad to secure, during 1950, the Journals of every diocese in the National Church if desired and give a report of facts in them that might prove of interest to any Council. To defray expenses, I should ask an allowance of \$10.00 for postage.

REPORTS OF THE DEPARTMENT OF CHRISTIAN EDUCATION

THE REPORT OF THE CHAIRMAN OF THE DEPARTMENT OF CHRISTIAN EDUCATION FOR THE YEAR 1949

The Department of Christian Education is now organized into committees similar to those of the National Council's Department of Christian Education. Chairmen of the various committees are as follows: Adult, The Rev. D. H. Copeland; Youth, The Rev. H. G. Kappes; Children, The Rev. W. K. Rehfeld; Visual Education, Mr. Richard Curtis; Schools and Conferences, Bishop Mallett. Under the committee on Youth, the Reverend Fathers Dexter, Welty, and Sheridan have been serving as deanery chairmen. Miss Jessie Hunter, as executive secretary of the department, has given of her time and talents to aid the department wherever aid was needed.

The Department chairmen and committee members met at Wawasee on July 20, 1949 to set up their objectives and to formulate their programs for the ensuing year. A meeting of the chairmen was held in April.

Thanks to the committee chairmen, the department has accomplished the following program:

1. Acolyte festivals were held for the diocese at Fort Wayne and Hammond.
2. Deanery Youth meetings have been held, two in the Ft. Wayne Deanery, four in the Calumet Deanery, and monthly meetings in the South Bend Deanery.
3. Each Deanery had a teachers meeting in January for the purpose of acquainting the priests and lay workers with the Lenten program for the Church Schools.
4. The Visual Education library has been transferred to Mr. Richard Curtis, Converse, Indiana. Slides, films, and strip films may be borrowed for the cost of postage. New strip films and slides have been purchased.
5. A Church School Rally was held at Plymouth on April 16th.
6. Plans are made for a youth rally at Logansport on May 5-6.
7. A Diocesan Church School camp is being planned for July 2-8.
8. The Chairman of the Department and the executive secretary have attended the meetings of the National Council's Department of Christian Education (along with other clergy of the diocese) at the College of Preachers.
10. Miss Lillian Cachulas and Miss Jessie Hunter attended the Youth Triennial which was held in conjunction with the Church's General convention in San Francisco in September.
11. James V. Carr was again elected provincial member of the national youth committee.

Respectfully submitted,
G. COLYER BRITTAIN, Chairman

REPORT OF THE COMMITTEE ON CHILDREN'S EDUCATION

The work of this committee in the past year has been the oversight and planning for all educational work with the children of the parishes and missions of our diocese. The committee was first organized for this work last spring, 1949.

A great deal of the work was, necessarily, done by Miss Jessie Hunter who, as executive secretary of the department, is trained in religious educational methods and materials. Many thanks go to her from this committee for the work as well as the advice and other help she has so generously given in addition to her other duties in the diocese.

A prospectus of recommended Church School materials was sent to the clergy of the diocese by Miss Hunter late in the spring in preparation for the coming winter's curriculum.

The committee has held three meetings in the course of the year. The deanery Church School Teachers' meetings in January and February in preparation for the Lenten Offering were planned and carried through by the committee. Miss Hunter prepared, again, a most excellent manual for clergy and teachers for furthering the work of the Lenten Offering.

All active parishes and missions have participated in the Lenten Offering, contributing a total for 1950 of \$3,243.02, an increase of \$253.66 over the year before, and exceeding the goal set for 1950.

The committee is now furthering the extension of Vacation Church Schools throughout the diocese and a manual of materials for the clergy in connection with such schools has been mailed to every priest.

THE REPORT OF THE COMMITTEE ON CONSTITUTION AND CANONS

To the Fifty-Second Annual Council of the Diocese of Northern Indiana:

Your Committee on Constitution and Canons herewith submits the following report for action of this Council:

We submit an amendment of the first sentence of Section 3 of Article 5 of the Constitution of the Diocese as previously recommended by resolution adopted by the Bishop and Council of May 5, 1949 as follows:

"Be it resolved, that the Bishop and Council recommends to the Diocesan Council that beginning in the year 1951 the Annual Diocesan Council be held within the first two weeks of October, except in the year of General Convention, when it will be no later than the last week of October, and

To effect this change in Diocesan procedure, the Bishop and Council recommends to the Diocesan Council the following amendment of the first sentence of Section 3 of Article V of the Constitution of the Diocese of Northern Indiana:

"There shall be held annually a Council of the Church in this Diocese, which shall be convened by a summons issued by the Bishop of the Diocese in Counsel with the Standing Committee, or if there be no Bishop, by the Ecclesiastical Authority, during the last quarter of the year, at such place as may be deemed most convenient'."

The Council is reminded that the amendment to the Constitution requires that it be submitted and approved by two successive Councils.

Respectfully submitted,

GLEN R. SAWYER, Acting Chairman

Note: This amendment to Article V, Section 3 of the Constitution of the Diocese of Northern Indiana was unanimously adopted by the Council.

The Committee on Constitution and Canons approves the deletion from Canon 5, Section 8, Item F of the following words:

“the sum of three hundred dollars (\$300.00)”

and in its place substitutes the following words:

“the amount necessary”, so that said section of Canon 5 reads as follows:

“The amount necessary each year for the expenses of the Bishop, and of the Clerical and Lay Deputies of this Diocese, in attending the General Convention.”

Note: This action resulted from a recommendation of the Bishop and Council meeting of April 5, 1949—that this section of Canon 5 be changed to allow a greater amount for delegates to the General Convention—and this amendment was unanimously adopted by the Council.

Respectfully submitted,

GLEN R. SAWYER, Acting Chairman

G. A. ELLIOTT, Chairman

Committee on Constitution and Canons

THE REPORT OF THE PRESIDING BISHOP'S COMMITTEE FOR LAYMEN'S WORK

Plans are being made, through the clergy of the diocese, to meet with groups of interested laymen in each parish and mission to help form active centers of work based on Evangelism.

The Laymen's program of the National Church is planned around four points: (1) Evangelism through Worship, (2) Evangelism through Service, (3) Evangelism through Education, and (4) Active Evangelism. Material to extend these four points in the parish or mission is available and the Committee is anxious to bring this information to groups of laymen throughout the diocese.

The new Provincial Chairman has called a meeting of each Diocesan Chairman in Chicago in May. This conference should provide new material for an inspired Laymen's Movement in our Diocese of Northern Indiana.

It is hoped that the clergy, vestries and laymen will avail themselves of the opportunity to form an active group of consecrated laymen to help in each parish and mission of the diocese.

Respectfully submitted,

E. LACY GIBSON, Chairman
